## ❖ Health & Safety Policy

---

*Reeman Constructions is an established enterprise providing construction management services to clients throughout New South Wales.*

The Health and Safety of those who work either directly or indirectly for Reeman Constructions is of the utmost importance to Senior Management and it is our ultimate goal to continually improve Health and Safety performance within the business. Our aim is to eliminate all work-related injury and illnesses to our employees and stakeholders.

In order to achieve this, the following objectives have been established:

- Communicating this policy to all existing employees and to new employees when they commence with Reeman Constructions
- Complying with all health and safety legislation and other requirements which are relevant to Reeman Constructions
- Making our commitment to Health and Safety visible to all interested parties
- Setting measurable objectives and targets which will be monitored to ensure continual improvement
- Maintaining a Management System which meets the requirements of AS/NZS 4801:2001

We communicate this policy and its objectives in various ways to interested parties through mechanisms such as induction of new employees, scheduled team meetings, email alerts, and listing of our policy on our company website.

This policy together with the measurable objectives and targets will be reviewed on an annual basis to ensure that it remains relevant and suitable to the operations of Reeman Constructions.
